

About GroupSense

NEWS: GroupSense is now trading as [OnlineGroups.Net](#).

GroupSense works closely with key customers to provide [technology](#) and [services](#) that enable people to [collaborate online](#).

Based in Christchurch, New Zealand, GroupSense, has worked with [customers](#) around New Zealand since 1998. Our key [people](#) bring diverse [experience](#) to each [project](#) and we work closely with a [network](#) of companies in related areas.

Find out the latest [news](#) or explore Dan Randow's blog [Sociocorpus](#).

If your organisation and the people involved with it could benefit from greater and easier collaboration, please contact us.
